

# SAIF Care

*At life's most difficult time*

Freephone: **0800 917 7224**

Email: **help@saifcare.org.uk**

Often the result of a significant loss such as bereavement, grief can cause a range of feelings including sadness, anger, relief, and guilt to name but a few. Everyone's grief journey is different and there is no normal or right way to grieve - it's a completely natural process. Many people cope with help and support either from family or friends, or from an organisation like ours.
